69 In the P.W.D., the Director writes that the question may be reconsidered and the Court be moved to appoint the Director of Sandal oil Factory, Mysore as receiver. I am afraid that there seems to be no need. to accept the suggestion. The deed of conveyance may be presented for registration before the District Registrar, Bangalore, as originally mentioned in the Director's letter No. C 23 of 14.6.1935 Considering the present stage of this case, I may also observe that the occasions for consulting the PW will only be very few, and so far as this case is concerned, it is very doubtful if there are any other properties to be proceeded against. In these circumstances it does not appear to me quite necessary to ask for a change of the receiver.

Sir,

Not received in this Branch

With reference to this office letter No. 334/33-34 dated 17th/20th November 1933, regarding the winding up of the Mysore - Asbestos Products Co., Ltd., I have the honour to state that, after the issue of 3 Reminders, a copy of the resolution authorising the winding-up of the said company and appointing Mr. N. C. Lakshmipathaiya as its Liquidator was received in this office on 5th June 1934. But, it is seen that the resolution is invalid as the provisions of Section 81 of the Mysore Companies Regulation for passing it as an Extraordinary Resolution were not complied with. The - Company cannot therefore be considered to be in a state of winding up. Mr. Lakshmipathaiya has been informed of the above and requested to convene another Extraordinary General Meeting and pass an Extraordinary Resolution in accordance with the provisions of Section 81 of the Mysore Companies Regulation.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 14th Febry. 1935

GENERAL SECRETARIAT

To

S. Abdul Wajid, Esq., B.A.,
General Secretary to the Govt., of Mysore,

SIR,

Subject - Ex. Case No. 41/32-33/O. S. No. 39 of 30-31 on the file of the District Judge, Mysore - The Director of Industries & Commerce Vs The Mysore Asbestos Products Ltd., Mysore.

I have the honor to state that the Public Prosecutor, Mysore Division, Mysore, has in his letter No. 1020 dated the 30th Jany. 1935, addressed to the Director of Sandalwood Oil Factory, stated that the assets of the above Judgment Debtor Company, under attach-ment, have been brought for sale by the Court on 14th March 1935. In this connection, I have to state for the information of Govern-ment that the said assets have been, according to an inventory pre-pared by the Superintendent of Industries, Mysore Division, under my instructions, and presented to Court by me as Receiver appoint-ed under its orders, estimated at Rs 37,354-1-0. The inventory copy submitted herewith, furnishes details of the assets.

The property, if sold by Court in an open auction, would not, I believe, fetch any appreciable amount. As such, it would be better if they are purchased, in the first instance by the Depart-ment in the Court auction and resold by the Department by private negotiation. I have accordingly addressed the Court, as suggested by the Public Prosecutor, to permit Mr. C. R. Rama Rao, Superintend-ent of Industries, to bid for the property on the day of auction and purchase it for Government.

Necessary action for disposing of the properties by private negotiation will be taken and the results reported for the informa-tion and orders of Government.

I request that my action in the matter may kindly be approved.

I have the honor to be,
Sir,
Your most obedient servant,

Director.

Sir,

With reference to your letter no. P 7116 dated the 25th instant on the above subject, calling for certain particulars of information, I have the honour to state that all the immovable properties of the Asbestos factory have been purchased by the Director of Industries and Commerce for their estimated value Rs 37,000/—. Possession of the properties will be taken by the Director in the course of next month (May).

deposited in court, as the Decree-holder himself was the purchaser.

The District Judge, Mysore Division, will, if necessary, be moved to return the case to the Bangalore District Court which passed the decree: but it is submitted that the further execution proceedings if any will have to be taken here only and not at Bangalore. The Registered office of the Asbestos Products Limited is located at Mysore. Mrs. M.C. Lakshmi-patharaja is the managing director. I am unofficially informed that the Company is about to be wound up. No information is available concerning the existence of any property within the Mysore State other than those which have already been purchased by Government. The Company, it is said, holds certain mining Concessions under the Madras Government. Mr. B. Sitaramachar, the former managing director, was frequently going to the Kadapa District where mining operations were being conducted on a pretty large scale for winning asbestos.

Refce.- Your letter No.P.32/Law.239-35-8/Encl.1 dated 2nd July 37.

--

With reference to your above letter returning the draft deed of conveyance with some modifications, I have the honour to state that the Public Prosecutor, Mysore Division, who was consulted in the matter, is of opinion that the Director of Sandalwood Oil - Factory may not be competent to execute the sale deed merely as successor in Office to the Director of Industries & Commerce, so far as the activities of the Sandalwood Oil Factory are concerned, that the Director of Industries & Commerce throughout acted in his capacity as receiver appointed by the District Judge, Bangalore, and that unless the Director of Sandalwood Oil Factory is appointed as receiver in the place of the Director of Industries & Commerce, the former is not authorised to act in the capacity of vendor of the - Asbestos Factory.

Under the circumstances, I request that instructions of Government in the matter may kindly be communicated to me, to enable me to get the document registered in Mysore.

I have the honour to be,

Your most obedient servant,

Director.

The Mysore Asbestos Products,Ltd.,
Conveyance of the Property to Government.

I have the honour to invite your kind reference to your letter No.P.1456/Law 239-35-10 dated 10/11-9-37 to the Director, Sandalwood Oil Factory, Mysore, issuing instructions in accordance with the legal opinion (also communicated therewith) that ~~xxxx~~ is not necessary to move the ccurt to appoint the Director of Sandalwood Oil Factory as Receiver in this case. In this connection I may be permitted to bring to the kind notice of the Government that the Director of Industries & Commerce was appointed as Receiver in this case as he held at that time the office of the Director of Sandalwood Oil Factory also and in the latter capacity he had to arrange for the rea_____on &c., of the assets of the Asbestos Products,Ltd., towards the decree obtained in favour of the Sandalwood Oil Factory. The properties to be transferred to Government are sitated in Mysore City and the deed of conveyance can be arranged to be registered with greater facilities, at Mysore than at Bangalore. The Public Prosecutor, Mysore will have to be frequently consulted in regard to the further execution proceedings in this case in respect of the still unsatisfied

P.T.O.

portion of the decree and the Director of Sandalwood Oil Factory has to take further necessary action in the matter.

2. Further, Mr.B.S.Iyengar, Officer in charge of the Sandalwood Oil Factory, Mysore who was authorised by the Director to obtain possession of the properties in question from the Court has acted as such and his head-quarters is Mysore. He is well acquainted with the particulars of the case. The cost involved for registering this conveyance to Government and incidental charges have to be met from the revenue funds of the Sandalwood Oil Factory.

3. I request, that in these circumstances, approval of Government may kindly be accorded for moving the Court to appoint the Director of Sandalwood Oil Factory, Mysore as the Receiver and to authorise hi to execute the deed of conveyance in question in favour of Government and also to take further action in this case for satisfaction of the decree obtained in favour of the Sandalwood Oil Factory.

I solicit the early orders of Government in the matter.
